GENERAL INFORMATION

- All families **must** enroll in the FACTS system for billing purposes and set up payments from available auto-pay options. The 4 choices in FACTS for Tuition Payment Plans include annual (1 payment in full by August), semi-annual (August & January), 10-month (August to May) and 12-month (June to May).
- Alternative payments made by cash or check must be submitted to the Finance Office at least 5 days before the due date, to prevent FACTS from withdrawing from your financial account. There will be a \$15 CCS charge for each returned check. If a payment is not received by the FACTS due date for a given month, FACTS will charge a \$15 late fee.
- Attendance for one day in a given month constitutes a financial obligation for the entire month.
- Parents are expected to responsibly pay on a regular basis. When unusual circumstances cause a payment delay, please call promptly to discuss the situation. Failure to contact the Finance Office to make arrangements may result in the school taking further action.
- For students who enroll after the school year begins, payment of the Registration and Materials Fees is required through a FACTS account before the first day of attendance. The tuition will be prorated for the remaining months of the school year and divided into regular payments.
- **Report Cards or transcripts will be withheld whenever an account becomes delinquent. Students whose account is thirty days past due will not be allowed to attend classes until the bill is paid.**
